Although we all know that God exists, instead of worshipping the Creator, we worship created things - including people

BUT I'VE NEVER DONE THAT!

We may not bow down to statues, but we have all worshipped ourselves by living in opposition to God's purposes.

Think about your life - Have you ever lied? Stolen? Swore? Or looked at someone with lust?

7
If these are just some of the standards by which God will judge us after we die, would you be innocent or guilty? We only have to break one of God's laws to be guilty.

THIS ISN'T LOOKING GOOD FOR ME.

Would it be Heaven or Hell for you?

Hell is definitely not a place you want to go, but since we have not lived perfectly, that is what we deserve.

SO WHAT CAN I DO?

Simply improving your life or doing good will not erase the history of your sin.

8
That is why the only way to heaven is if we have a perfect person who could take our Hell punishment on our behalf.

WHO COULD THAT BE?

JESUS -

He is God, He became a human being, lived a perfect life, died on the cross - taking the punishment for sin -

Then, three days later, He came back to life!

Forgiveness is not something you can earn by doing good deeds, being baptised, or praying, but is a free gift from God.

What you need to do is trust only in Jesus' death on the cross as the reason why you are forgiven. And because of this, your desire will be to turn your back on sin and live for Him.

HOW WE
KNOW
THAT GOD EXISTS
AND WHY IT MATTERS
